

# Prayer Diary – 10<sup>th</sup> May 2024

Today we pray for Israel and the Occupied Palestinian Territory. In lands where Jesus was born and had to flee from danger as a child, so we pray for children growing up under occupation, volatility and danger. God of peace, bring peace.

**As the war in Ukraine passes its 800th day, we pray for peace in Ukraine.** God of peace, we pray for reconciliation, understanding and an end to all violence. God, let your presence be felt by those affected.

**CARE**

World Mission

## THE POWER OF GOD'S WORD

Lord Jesus, You challenged the devil when he came to tempt You in the desert by quoting scripture. Thank You that the same powerful Word, the sword of the Spirit, is available to us to overcome evil. May we be diligent to put on Your armour of truth, righteousness, peace and faith as a daily spiritual practice. In Your mercy. Amen.

At the Community Outreach Prayer Time on Monday we prayed for young people and their exposure to the internet/social media. This week SU Scotland asked for prayer for the work that their digital team are doing:

## SU Scotland prayer diary

Pray for wisdom for our digital team as they develop new concepts, such as using coding and game design to explore the Bible with young people. Give thanks for volunteers who are passionate gamers who have come together to run online gaming groups for young people this past academic year and for those who have been making new podcasts that deliver topical Bible teaching.

SU Scotland

Please also pray for our young people (at school, college and university) who are sitting exams at this time,

## SU Scotland prayer diary

Secondary pupils will be sitting SQA exams this month. Pray that Christian young people will know the Lord's peace when anxious, his restoration and strengthening when tired, and fresh hope for the future when a bit downcast. Pray they will be aware of the reality of God's love for them, no matter the outcome. Give thanks for those who pray for schools. Pray that their prayers for young people at this stressful time will make a big difference!
